SUPPLEMENTAL RESPONSE

Sir:

Supplemental to the response filed 6/27/03 at 2:35:19 p.m., the undersigned has just noticed that the Examiner stated that a requirement for information under 37 CFR 1.105 was attached to the office action. Unfortunately, no such requirement is in fact attached to the office action. Accordingly, no response to such a requirement was possible.

Applicants respectfully submit that they have answered each issue raised by the Examiner and that the application is accordingly in condition for allowance. Allowance is therefore respectfully requested.
